CLARIFICATIONS:

1. Contractor to provide monthly progress payments for all completed work in accordance with the bid pricing schedule. Monthly progress payments must be received in full by Super Seal & Stripe no later than 10 calendar days after the Contractor receives payment from Owner for our completed work. Delinquent payments will be subject to the highest interest rate allowed by law.
2. Retainage percentage on monthly progress payments to be no greater than the percentage retained by the Owner on its payment to the Contractor. If Owner reduces the retainage percentages on payments to the Contractor, the Contractor shall likewise reduce the retainage percentage on payment to Super Seal & Stripe. Full retention to be released no later than thirty, (30) days after completion of Super Seal & Stripe's work. Excessive or delinquent retainage will be subject to the highest interest rate allowed by law.
3. Any required Testing, Engineering, Design, Permits, Licenses or Applications, and the like, to be provided by others.
4. Prices are based on Plans & Specifications available at bid time, including all addenda. Any request for work (post bid) under conditions differing from those represented by the Prime Contract Documents, including but not limited to: altered phasing or staging, design changes, modified layout, resulting from plan errors or inaccurate designs, will require payment for additional work to be made to Super Seal & Stripe at an amount agreed upon prior to performing this work. If an amount cannot be agreed upon prior to performing the additional work the amount will be determined using Caltrans Force Account Rates or unit prices established in the bid pricing schedule, or a combination thereof; established in the bid pricing schedule, or a combination thereof; whichever method results in a higher overall payment.
5. Super Seal & Stripe is not responsible for delays caused by and or resulting from activities or non activities of others, including but not limited to, Owner, Contractor, Vendors, Suppliers, other subcontractors and other factors not in direct control of Super Seal & Stripe. For the delays caused by the aforementioned, Super Seal & Stripe will be reimbursed for all direct and indirect costs plus a mark up of forty percent, (40%) or as specified and allowed by the Prime Contract if the delays are caused by the Owner. Super Seal & Stripe will be granted an extension of time to perform its work tantamount to the delays.
6. Super Seal & Stripe requires (15) days notice prior to commencement of any production activity. If any of Super Seal & Stripe's work will be a controlling operation on the critical path of this project, Super Seal & Stripe must be notified in writing prior to execution of the Subcontract Agreement and provided with a CPM schedule which details this work. Failure to provide this information will waive the Contractor's right to recover liquidated damages from Super Seal & Stripe for this work.
7. All changes to the original scope of work proposed extra work must be directed by the Contractor in writing prior to Super Seal & Stripe performing this work.
8. For the purpose of this Subcontract Quotation one (1) move-in is considered to be: a period of consecutive eight (8) hour days of continuous work, not including weekends and holidays. Any discontinuities in this period, other than weekends and holidays, or for our own convenience, will be charged as an additional move-in at the Additional Move-in Charge as quoted herein.
9. Super Seal & Stripe must receive a letter of intent to award us the subcontract no later than (20) calendar days after bid date or this Subcontract Quotation becomes null and void.
10. Super Seal & Stripe is an Equal Opportunity and Affirmative Action employer, that adheres to laws & regulations of Executive order 11246 Sec. 503 as amended of Rehabilitation action 1973 as amended and 4211 (USC) Vietnam Veterans readjustment as amended.
11. If General Contractor or any of its sub-contractors work within Super Seal & Stripes traffic control, the expense will be shared accordingly at Super Seal & Stripe discretion. No advance posting, signing, or Portable CMS is included for Super Seal & Stripe Traffic Control.

Contract No. 06-0H6424

1. List items of work the Bidder made available to DBE firms. Identify items of work the Bidder might otherwise perform with its own forces, items that have been broken down into economically feasible units to facilitate DBE participation, and items for which the Bidder has established flexible time frames for performance and delivery schedules in a manner that encourages and facilitates DBE participation. For each item listed, show the dollar value and percentage of the total contract. The Bidder must demonstrate that sufficient work to meet the goal was made available to DBE firms.

[illegible]

2. List the names of certified DBEs and all the dates on which they were solicited to bid on this project. Include the items of work offered and the dates and methods used for following up initial and follow-up solicitations to determine with certainty whether the DBEs were interested. Attach copies of solicitations, e-mail messages, telephone records, fax confirmations, etc.

Name of DBE Solicited	Date of Initial Solicitation	Items of Work Offered	Follow Up Methods and Dates
see Appendix 2			

3. For each item of work made available, indicate whether the Bidder provided plans and specifications specific to the items of work being offered, list the selected firm and its status as a DBE, the DBEs that provided quotes, the price quote for each firm, and the price difference for each DBE if the selected firm is not a DBE. Provide copies of each DBE and Non-DBE quote submitted to the Bidder whenever a Non-DBE firm was selected over a DBE for work on the Contract.

see Appendix 4 for copies			

5. Describe the Bidder's efforts made to provide interested DBEs with adequate information about the plans, specifications, and requirements of the Contract to assist them in responding to a solicitation. Identify the DBEs assisted, the type of information provided, and the date of the contracts. Provide copies of supporting documents.

Granite references that plans/specs are available to all interested subs via the Caltrans Office Engineer website, so interested parties don't have to travel to our office to view plans. We list the site URL directly on all solicitations we send out, and in any advertisements we place. On this project, no specific requests were made.

6. Describe the Bidder's efforts made to assist interested DBEs in obtaining bonding, lines of credit, or insurance. Identify the DBEs assisted, the type of assistance offered, and the dates. Provide copies of supporting documents.

Granite offers assistance with bonding & insurance as stated in advertisements and our requests for quotes.
No specific requests were made on this project.

7. Describe the Bidder's efforts made to assist interested DBEs in obtaining necessary equipment, supplies, materials, or related assistance or services, excluding supplies and equipment the DBE purchases or leases from the prime contractor or its affiliate. Identify the DBEs assisted, the type of assistance offered, and the dates. Provide copies of supporting documents. RE: Proposal for WPCP for Caltrans 06-0H6424, bidding 9/7/16

Dear Prime Contractor,

Thank you for the opportunity to provide a proposal for this project. We provide civil engineering and stormwater management services.

Scope of Work:

A. Prepare Water Pollution Control Program (WPCP)

Prepare a Water Pollution Control Program (WPCP). The document will be prepared in accordance with Caltrans requirements. Water Pollution Control Drawings will be included.

Exclusions: Installation and implementation of water pollution practices, providing a WPC Manager, conducting training, and monitoring, inspection and correcting water pollution control practices are excluded. A WPC Manager, training, monitoring and inspection are available as an additional service upon request.

Fee:

The WPCP will be prepared for a Fixed Fee of the following, with fees billed monthly based upon percent completion:

A. Prepare WPCP (Part of Bid Item No. 12)	\$ 625
---	--------

Fees will be due within 30 days of client's receipt of invoice. Late payments beyond 30 days past due can be subject to a 1.5% per month interest charge. Payment arrangements can be made to coincide with any owner to contractor payment installments.

Timing and deliverables:

Submittals will be provided in a timely manner; please contact us for scheduling so we can meet your deadline. The document will be provided in hard copy (4 copies) and electronic PDF format.

We appreciate the opportunity to present this proposal. Please feel free to contact me if you have any questions via cell at (707) 628-4219 or at our office number below.

Sincerely,

- Payment terms for new customers is C.O.D. Client may receive an approval for Net 30 when Credit Card Authorization Form is reviewed and approved. (Existing clients with the active account are exempted.)
- Price includes electronic copy of the final SWPPP.
- NOTE: Social Stormwater Runoff Solution Services INC. herein called "SSRSS INC." does not provide draft or approved SWPPP hard copies. Corrections / additions to the plan due to errors or omissions on behalf of the contractor or the Agency may be billed to the contractor as time and material (T&M). T&M will be billed at a standard rate of \$90.00/hour for non-Civil Engineering services and \$120.00 / hour for Registered Civil Engineering services with all services being billed in 1/2 hour increments.
- Hard copy manuals: Billed at \$75.00 for additional manual unless stated otherwise. Contractor will also pay for all additional shipping charges at cost plus a 15% handling fee.
- Additional charges may apply pending contractor insurance requirements.
- This Contract constitutes the entire Contract, and the parties are not bound by any oral expression or representation including those made by any agent of either party purporting to act for or on behalf of either party or by any commitment or arrangement not specified in the Contract.
- No additional work shall be done without prior written authorization of Contractor. Any such authorization shall be on a change order form approved by both parties, which shall become a part of this Contract. Where such additional work is so added to this Contract, it is agreed that the total price under this Contract shall be increased by the price of such additional work, any delinquent service charge may be increased proportionately, and all terms and conditions of this Contract shall apply equally to such additional work.
- It is expressly stipulated and agreed that SSRSS INC. shall not be liable for any delays occasioned by the elements, labor disputes, strikes, lockouts, Acts of God, fires, inclemency of the weather, changes ordered in the work, unavoidable casualties, the acts or omissions of owners or persons or any other similar or dissimilar causes beyond the control of SSRSS INC.
- Contractor hereby agrees that time shall be of the essence in regard to all payments provided for herein, and if any payment is not made when due, Contractor agrees to pay all collection costs and expenses including costs of suit and any related attorney's fees and costs and also hereby waives the benefit of any statute of limitation that would prohibit an action of SSRSS INC. to enforce the terms and conditions of this Contract including but not limited to any right to recovery of attorney's fees and costs. The laws of the State of California shall control all aspects of this contract except as to lien matters, which will be governed by the laws of the state where the subject property is located.
- If at any time any controversy shall arise between SSRSS INC. and Contractor regarding anything pertaining to this Contract and which the parties hereto do not promptly adjust and determine, then Contractor and SSRSS INC. stipulate and agree that the controversy shall, at the election of SSRSS INC., be submitted to an arbitrator determined under the Construction Industry Arbitration Rules of the American Arbitration Association then in effect, and the parties hereto agree to be bound by the Award in such Arbitration. The Award shall be binding and final and may be entered as a final judgment in a court of competent jurisdiction.
- SSRSS INC. will not be responsible for Acts of God, fire, storm, flood, landslide, earthquake, theft, vandalism or other disasters or accidents. Owner will purchase insurance at his expense before any work begins that will cover fire, vandalism, malicious mischief and other perils during the course of construction. SSRSS INC. will be held harmless for any damage or outcome relating to lack of insurance, vandalism, trespassing, weather, underground services or "Mother Nature".
- Contractor is responsible for the labor/material for installment, maintenance and repair of the BMP's per the approved SWPPP.
- Contractor is required to comply with the requirements of the approved SWPPP and all the terms of the Construction General permit (CGP) ORDER NO. 2009-0009-DWQ NPDES NO. CA5000002.
- SSRSS INC. is not responsible for any Contractor negligence and non-compliance of the terms and requirements of the SWPPP and the CGP by the Contractor or any other parties. Contractor is required to notify the QSD and the State Water Board of any violations of the permit requirements and non-authorized discharges.
- SSRSS INC. may assign or subcontract all or any portion of the work to be done under this Contract.
- Access to the job site must be furnished by Contractor, the general contractor, lessee or other party ordering work.
- SSRSS INC. shall not be held responsible for any existing violations of applicable building regulations or ordinances, whether cited by the appropriate authority or not. SSRSS INC. is not held responsible for any abnormal or unusual preexisting conditions. Correction of any such violations or abnormal conditions shall not be considered part of this Contract and shall be at the Contractor's expense.
- Once the proposal is signed and fully executed, no cancellation would be accepted. SWPPP/WPCP plan is a project specific document and can not be utilized for any other projects. If for any reason (Contractor decision, error or the Owner/Agency change on requirement) a SWPPP/WPCP document is no longer needed, this contract shall be in effect and contractor is responsible to pay for the service in full.
- Price of this contract is subject to increase for projects that are not commenced for over 90 days from the date that this contract is signed and fully executed.
- Invoices paid after due date are subject to a finance charge computed at a monthly rate of 1.5% (annual percentage rate of 18%). Client is responsible for legal and collection costs if necessary to collect past due amount(s).

Note: Lead compliance plan proposal will be provided upon your request.

Note: public safety plan proposal will be provided upon your request.

USS CAL BUILDERS is an Equal Opportunity Employer, all qualified applicants and proposers will receive consideration without regard to their race, religion, color national origin, ancestry, disability, sex, age, medical condition or marital status. Any parties that are subcontracted during performance shall adhere to equal opportunity employment. The subcontractor, at its sole cost and expense, is required to furnish to the prime contractor, within five business days of award of the project to USS, payment and performance bonds in the amount of the subcontract issued by an admitted surety wherein the prime contractor shall be named the obligee, guaranteeing prompt and faithful performance of the subcontract and the payment of all claims for labor and materials furnished or used in and about the work to be done and performed under the subcontract. The prime contractor may reject the bid and make a substitution of another subcontractor subject to Section 4107 if the Subcontractor fails to meet this requirement. Conditions, qualifications, exclusions or exceptions to the bond requirement contained in a subcontractor's bid are not enforceable. USS Cal is relying on the price submitted in a

subcontractor's proposal as an all-inclusive price for its trade scope found in the plans, specifications and addenda regardless of any qualifying language in the proposal. USS Cal's listing of a subcontractor is not an acceptance of any or all of that subcontractor's conditions, qualifications, exclusions or exceptions included in the subcontractor's bid proposal. The subcontractor agrees that its bid will remain valid for the same period of time that the prime contractor's bid must remain valid with the owner, as specified in the project's specifications. Each listed subcontractor must execute USS Cal's standard subcontract agreement if USS Cal is awarded the project; the standard subcontract is available for review on USS Cal's website and at USS Cal's office. At the discretion of USS Cal, any listed subcontractor that withdraws its bid after USS Cal submits its bid to the owner will be responsible for the difference in price for such scope of work charged by the replacement subcontractor. This is a prevailing wage project. If this project is subject to a Project Labor Agreement or Project Stabilization Agreement, you will be required to honor the terms of such agreement. USS Cal Builders, Inc. is signatory to the Carpenter's Union. Any subcontractor performing carpentry work must be signatory to the Carpenter's Union. The submittal of a proposal by the subcontractor constitutes acknowledgment and acceptance of the requirements contained herein.
